FOREWORD

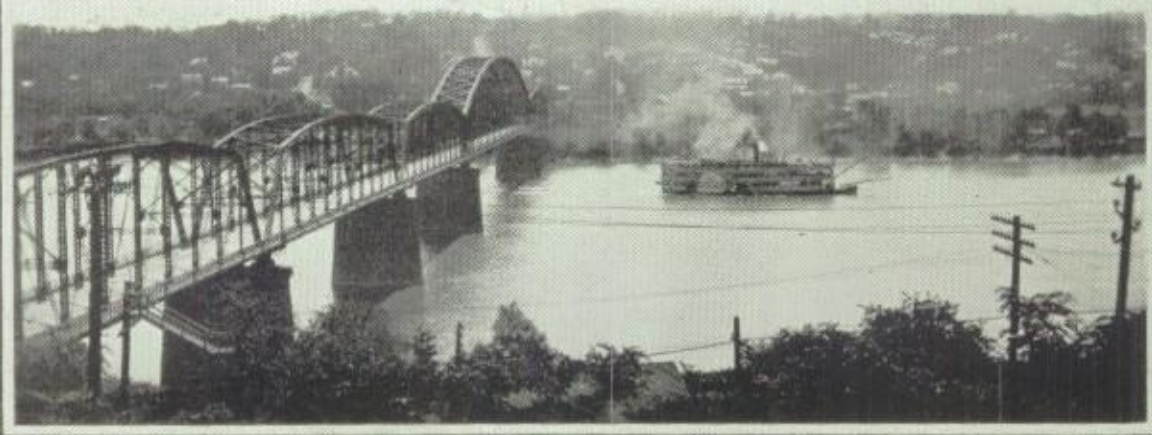

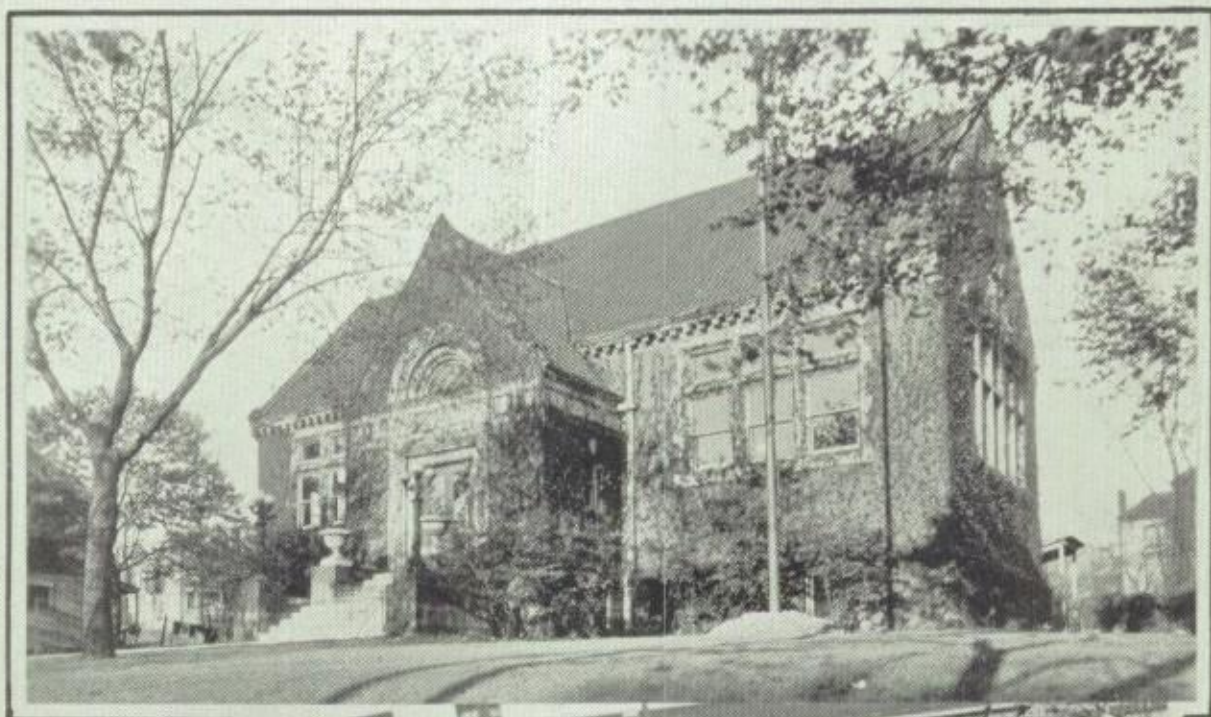

To the high school world, aviation signifies ventures into fields of progress as yet untried. It brings to us the realization that we, too, can "try our wings" and with the linking of aims and realizations reach goals seemingly unattainable.

The Class of Nineteen Thirty-Two, realizing the part which education plays in these days of progress has taken pleasure in preparing for you a book of pleasant memories.

Senior Class History

In the fall of 1928 the class of '32 entered the portals of O. H. S., an army of one hundred fifty souls. Their first venture was a Valentine party, a huge success in spite of many difficulties. In June a much wiser group finished the year anxious to return as sophomores.

Athletics gave the sophomore girls a chance to bring renown to their class by capturing inter-class basketball and track championships. The E. Y. M. or Enjoy Your Mathematics Club claimed many sophomore members. "Oakleaves," a stage show for the benefit of the Oak-Leaf, gave many sophomores an opportunity to show their dramatic ability.

Organization and choice of class officers were the privilege of the newly-fledged upper classmen. Fear Fowler was elected official guide for the coming year. A new Commercial Course claimed many of the members of this class as interested and eager workers. Another new organization, "The Travel Club" made its debut with juniors and seniors as members. Again the girls distinguished themselves by winning the inter-class volleyball championship. The purchase of class rings and pins added to the thrill of Christmas vacation. The Dramatic Club play, "The Tightwad", and the Oak-Leaf play, "Listen In on the Campus", gave more stage experience. The climax to a happy year was marked by the Junior Prom.

Advice to all senior classes is to start the year right with a senior class picnic, weiner roast preferred! Can the sight of those thirty-three pounds of weiners ever be forgotten? Class songs, Periscope pictures, and the Dramatic Club Play prepared this group of 89 seniors for the thrills of Commencement and the never-to-be-forgotten experiences of Baccalaureat, class night and that last "tearful" moment which marked the close of four pleasant years at O. H. S.

Junior Class History

On new and untried wings, in the fall of 1929, a company of 123 freshmen arrived in O. H. S. Nothing of consequence was done until the next spring when a trial flight into society was made at a party successful in every detail.

The following September the class again "took off." Nothing of very great importance was attempted except by those members who formed the cast of the play "Diogenes Seeks a Secretary" given by the Commercial Department. An attempt at a second social flight ended in a forced landing, due to unfavorable conditions.

In the third year of the course, class officers were elected to act as the crew necessary to guide this ship housing 83 souls on a successful tour of O. H. S.

On bi-monthly landings at the home port again the ship landed and remained long enough to have part of its crew help edit the Oakleaf, the school paper, and produce "The Periscope", the year book of O. H. S. In June the seniors enjoyed the yearly prom, the guests of the junior class members.

The class hopes that during the last year of its flight, it may establish a hitherto unprecedented altitude of achievement.

The Oakmont High School Song

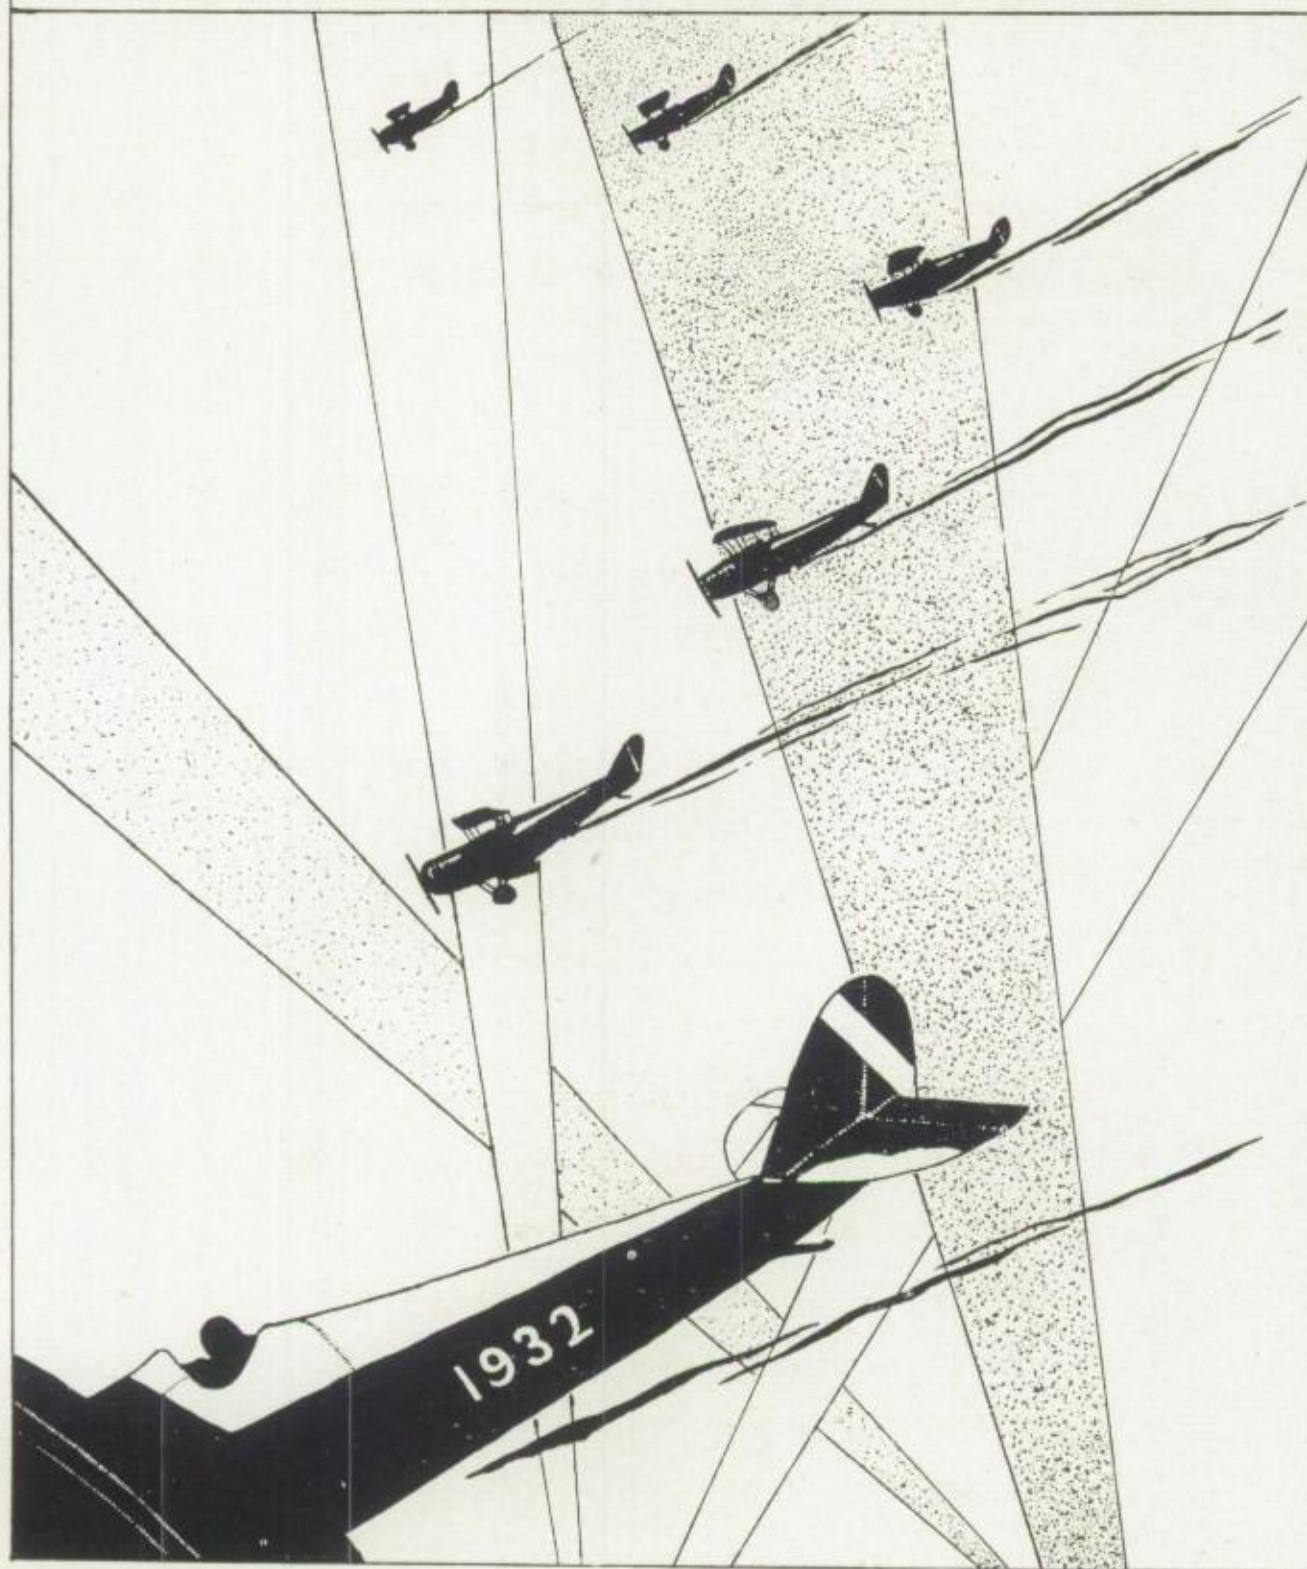

Of all the schools upon the map,
There's only one that has a team of snap,
Tho' far away this team may roam,
It always brings a victory home.
To win may mean a hard, hard fight,
But our good team comes out all right,
And we'll make other schools confess,
There's none like dear old O. H. S.

Chorus:

Oakmont High School, Oakmont High School,
The dear old Red and Black,
With her colors ever flying,
And the team we'll always back.
Oakmont High School, Oakmont High School,
We'll stand by thro' thick and thin,
Every game will bring us nearer,
To the goal we're bound to win.

Just playing loyal, straight and true,
Is what our good team always aims to do,
Whether it's victory or defeat,
We know that good sports can't be beat,
Our team will do its very best,
And we must always do the rest,
By standing up and cheering long,
With this our Oakmont High School song.

ATHLETICS

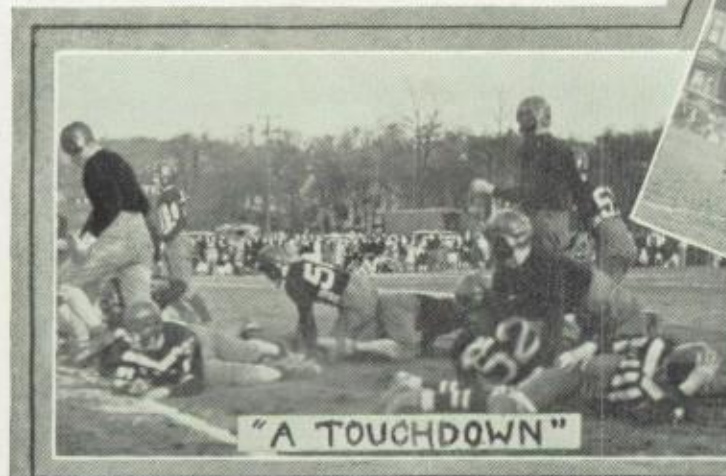

Football

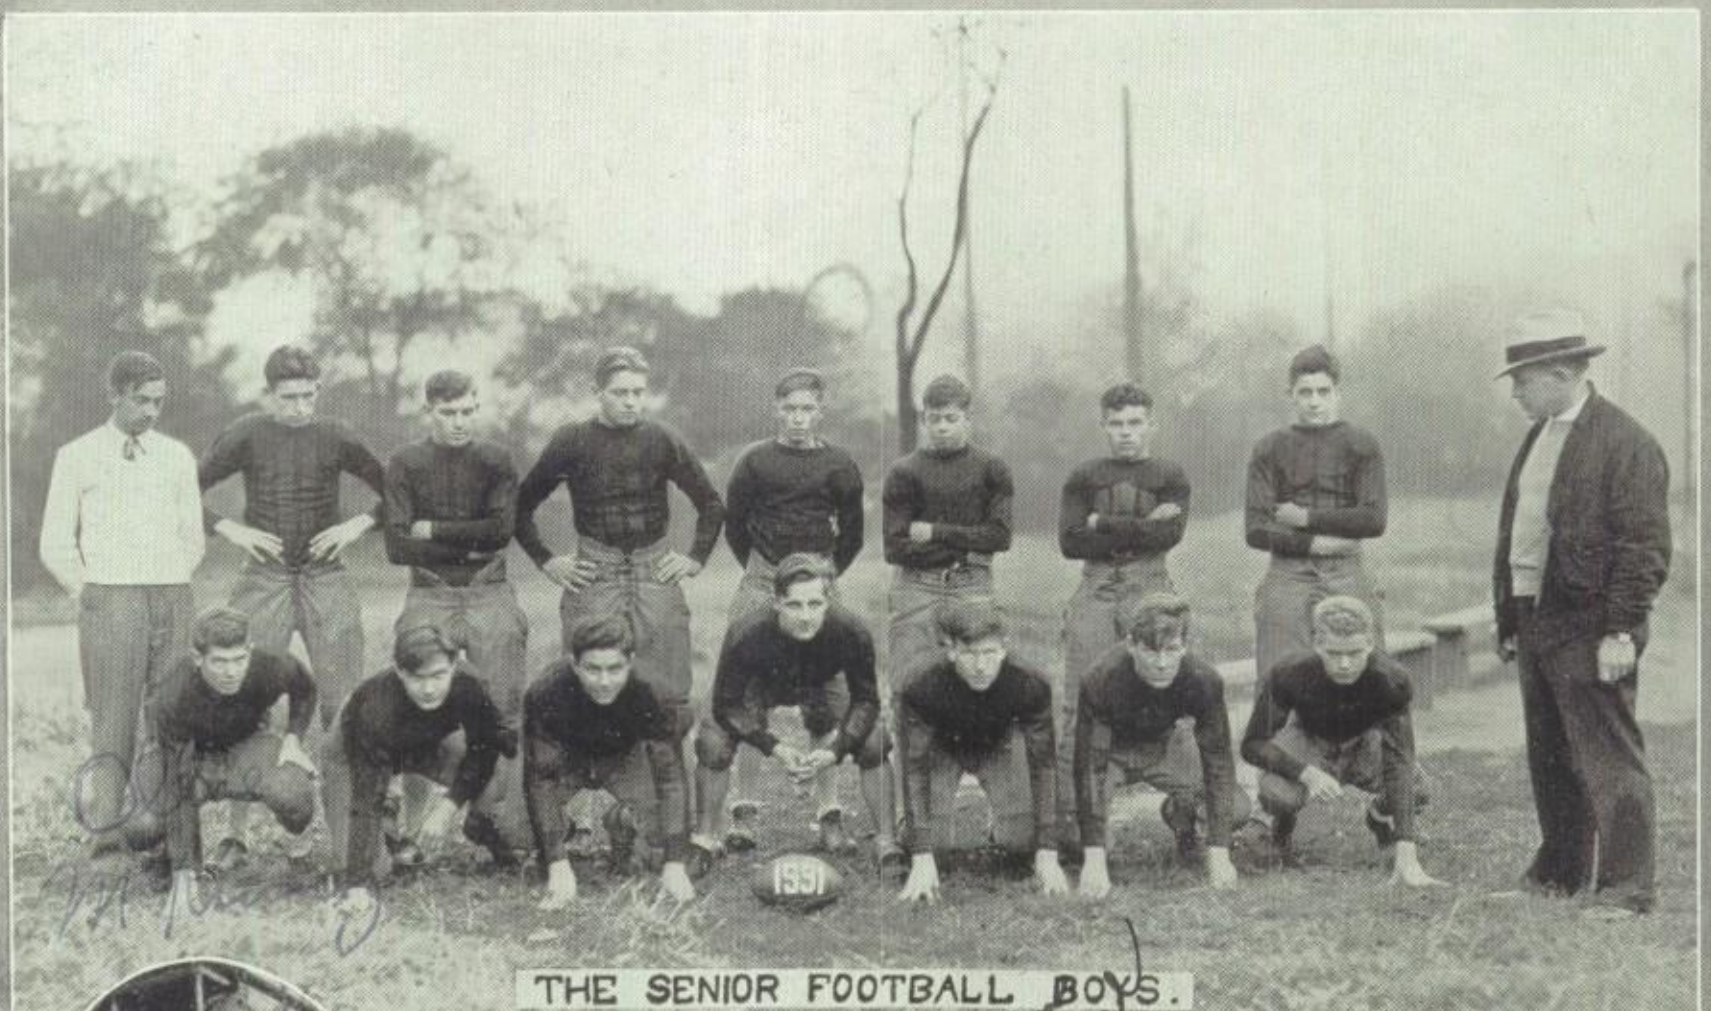

Although no spectacular record was made in football this year, the boys, under Captain Yourd's leadership gave a good account of themselves. The personnel of the team was composed almost entirely of fourth year men.

After being defeated at McDonald 13-6 in a hard battle, Oakmont came home to win successively two games, one with Aspinwall 13-6 and one with Arnold 13-0.

"Bozo" intercepted a pass and made a beautiful run at Shadyside, thus tying them 6-6. After this game the team rested a week. Bad weather and a wet muddy field helped in a 33-6 defeat for the Red and Black at Edgewood.

The game with Springdale, possibly the most evenly matched game of the season, was won on a lucky touchback by Springdale. A week later the team went to Verona and romped up the field for a 25-0 victory. A 14-3 victory over Millvale ended a successful season of four games won, one tied, and three lost for the O. H. S. griders.

"BEAT SPRINGDALE"

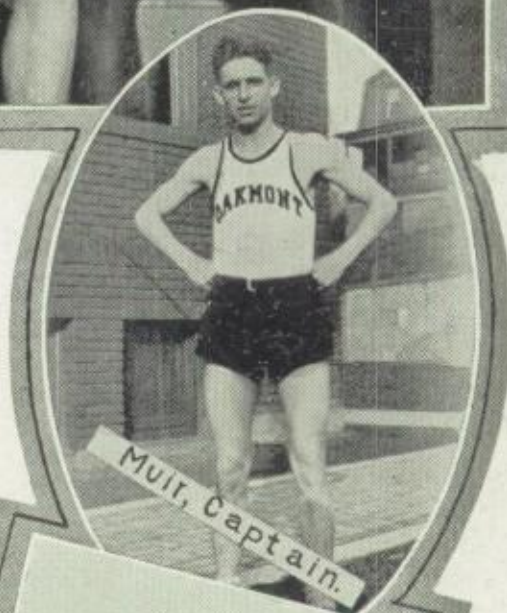

Boys' Varsity Basketball

The squad: Wagner, Hamilton, Muir (Capt.), Yukstas, J. Tolbert, E. Cameron (Trainer), E. Tolbert, R. McElhose, Gibson, J. Cameron, Campbell, Masters (Coach).

Although they did not have an entirely successful main season, the boys certainly gave O. H. S. a whirlwind finish at the Allegheny Kiski Valley Tournament. A reckoning of accounts at the end of the season showed a total of nine games won and eleven lost.

In the first encounter at the tournament, the team came through in the last few minutes to win the game from Arnold by one point. Oakmont easily defeated Kittanning in the next tilt. The fast Franklin team nosed the boys out in the semi-finals and Freeport gave the Red and Black the game for third place.

O. H. S. is very proud of the trophy which the boys brought home from the tournament. It shows that persistent plugging is always rewarded. It was the result of an almost beaten team fighting to the finish to win that first battle with Arnold, that gave the team the confidence and courage to win the trophy.

Girls' Varsity Basketball

Under the leadership of their coach, Miss Gillespie, and the captain, Fear Fowler, and with the splendid cooperation of the team the girls' varsity of this year witnessed the most successful season of the last five years, both in game and total scores as well as good sportsmanship.

O. H. S. is sorry to lose the first squad this year as the following girls are to be graduated: F. Fowler (Capt.), A. Malloy, M. Malloy, J. Kiger, F. Schnabel, D. Degitz, M. Hamilton, and N. Litman. However, a strong second team is ready to "carry on" for the Red and Black.

Girls' Inter-Class Basketball

Another basketball season closed with the sophomore girls victorious after a hard struggle with the juniors. All games were very interesting and it was a long, hard fight from beginning to end.

The sophomores took first place, the juniors second, seniors third, and last, but not least, the freshmen.

The sophomore lineup was as follows: F. Gould, Capt.; M. Arnott; M. Carter; J. Evans; I. Harris; D. Hyde; S. Milligan; F. Monks; L. Murray; M. McElrath; J. Pilgram; M. Wagenseil. F. Fowler, N. Litman, Coaches.

Girls' Volleyball

Champs again! This year, as well as last, the same group of girls carried away the honors in volley ball. Seven hard games were played after school, but a final victory from the sturdy sophomores brought the laurels to the senior team.

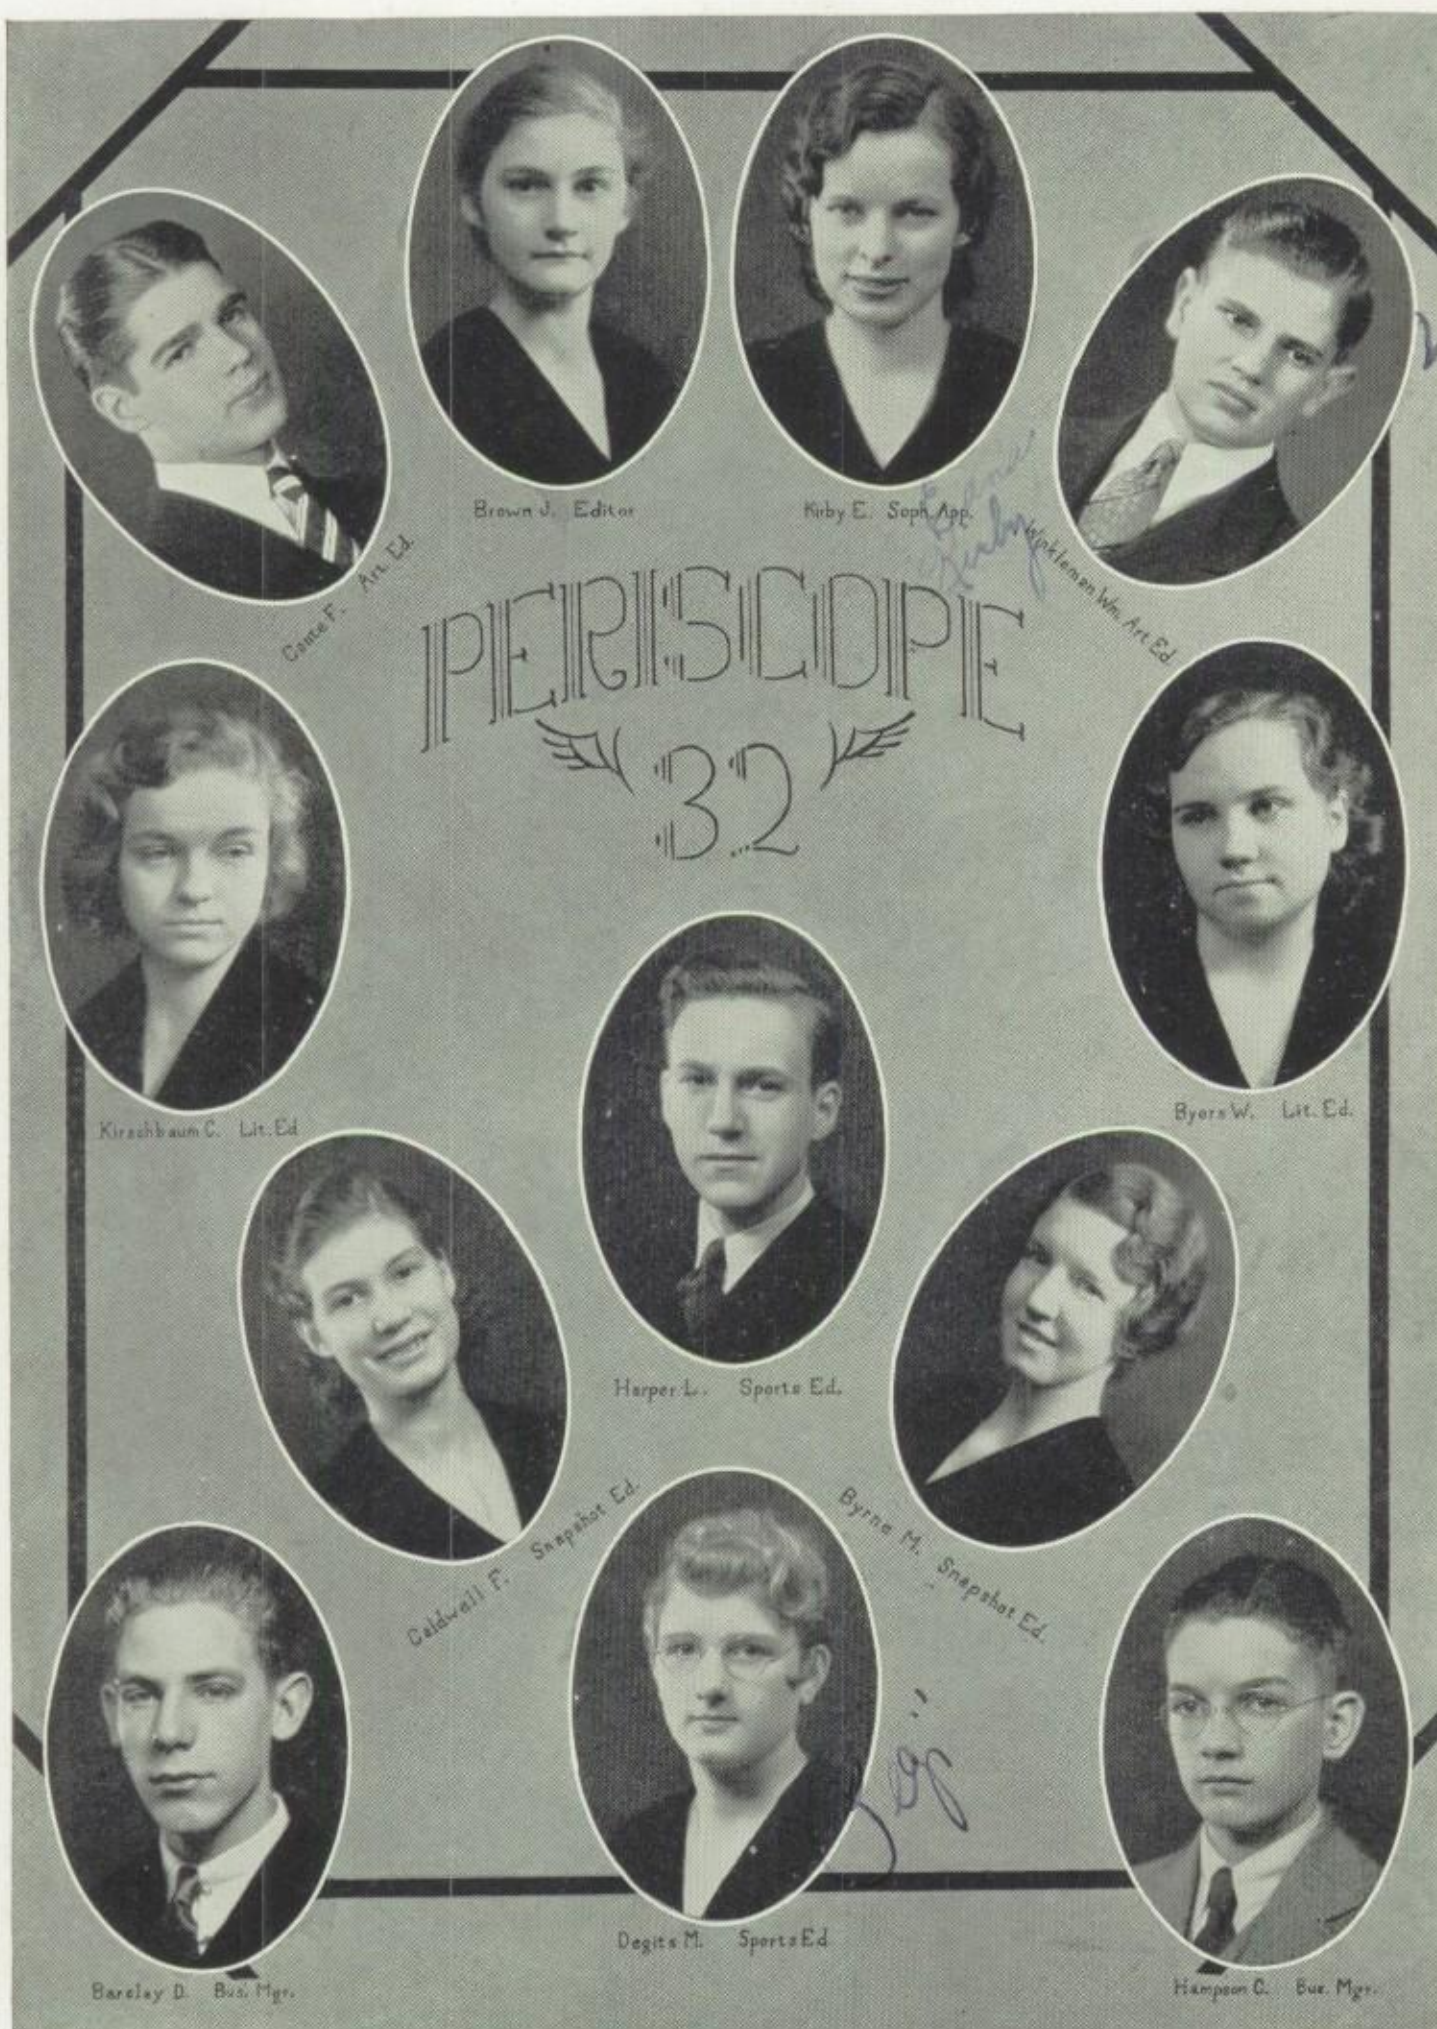

Lineup: F. Fowler, Capt; D. Degitz; M. Hamilton; N. Litman; A. Malloy; M. Malloy; J. Kiger; F. Schnabel; J. Springer; J. Stehle.

Travel Club

The Travel Club attempts to promote interest in scenic places, particularly the great features of our own country, by showing collections of lantern slides and films. The group is asked to keep a scrapbook collection of pictures and reading materials on the great national parks of U. S., with some tours near the end of the year to Europe and the West Indies.

Hikes, picnics, and kodak exhibits occasionally add a touch of local color to the club's activities.

The Commercial Club

This, the second year of the Commercial Club, has been a much better year in every respect than last year. A change in the Club Constitution early in the year permitting membership of any student in the High School carrying two commercial subjects, and maintaining an average of "C" or better in all work, has evidenced beneficial results.

Business meetings in which proper parliamentary procedure was stressed; program meetings consisting of talks by local business men, motion pictures, essays, and skits; a trip through a city department store; a social meeting at the sponsor's home; a commercial play; and a picnic have helped to develop the objective of the club, which is "to further the ends of commercial education, to foster a spirit of loyalty to each other and to the school, and to bring our students into closer relation with the business men and the industries of our community."

Science Clubs

The school term of 1931-1932 proved to be a successful year for the Science Clubs under the supervision of Mr. Learn and Mr. Wood.

This enthusiastic group of students has done much to carry out the purpose of the organization,—to promote an interest in the study of science.

Various speakers were obtained for the meetings throughout the year and, through the courtesy of The Bell Telephone Company, the club was privileged to present a talking picture in chapel, an event unprecedented in the school.

Visits to the Westinghouse plant, the Aluminum works in New Kensington and the sending station of KDKA and W8XX were exceptionally interesting.

A thriving branch of the Senior Science Club was organized this year with Mr. Wood as sponsor and with sophomores and freshmen as eager members.

Greetings from one of the oldest clubs of O. H. S., Miss Ray is club sponsor.
 "He who knows not mathematics cannot know any other science; and what is more, he cannot discover his ignorance or find its true remedies."—Bacon.

Le Cercle Francais

Encore le cercle a un jour de naissance et maintenant il a la grand age de neuf ans. "Apprenez par chanter" was the aim of the club this year. Many new songs and games made interesting meetings. A short "movie" of "our president" in Paris brought to life some of the places and names familiar to the club through scrap book work. "Au printemps" to the cercle meant the annual Math-French Club picnic — a happy ending to a happy year.

The officers for the year were:

Vice President Alberta Blaine
Secretary Jane Throckmorton

Orchestra

Violins—Vera Spindler, Dorothy Earl, Robert Stoll, Virginia Gordy, Nona Monks, Mary McKinley, Joe Budzak, William Marcacci, Jack Matthews, Anthony Vill-ella, John Long, Carl Fletcher, Alex Argyros.

Clarinets—Henry Corson, Robert Lake, David McGeorge.

E \flat Alto Sax—Howard Thomas, Norman Benline.

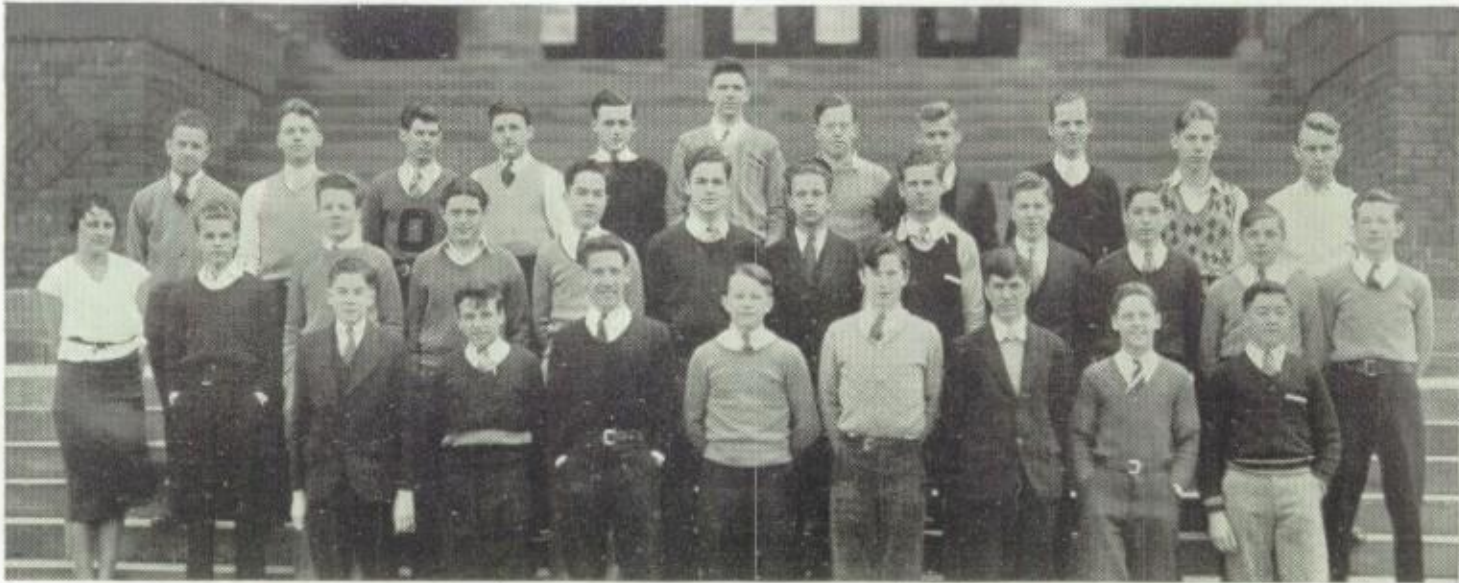

Trumpets—Roland Yourd, Charles Hampson, David Barclay, James Dysart.

Trombone—Hugh Elwood.

Drums—Harold Shirley, John Harmon, Grove Clasper.

Piano—Juanita Alter, Ruth Edgar, Doris Hyde.

Due to the loss of a number of exceptionally strong players by graduation, the orchestra had a hard time to get well organized this year. However, through the help of Miss Moot and many of its faithful members it has finally “weathered the storm” and enjoyed a happy season. During this orchestra “depression”, many members gained experience which will put them in fine shape for next year.

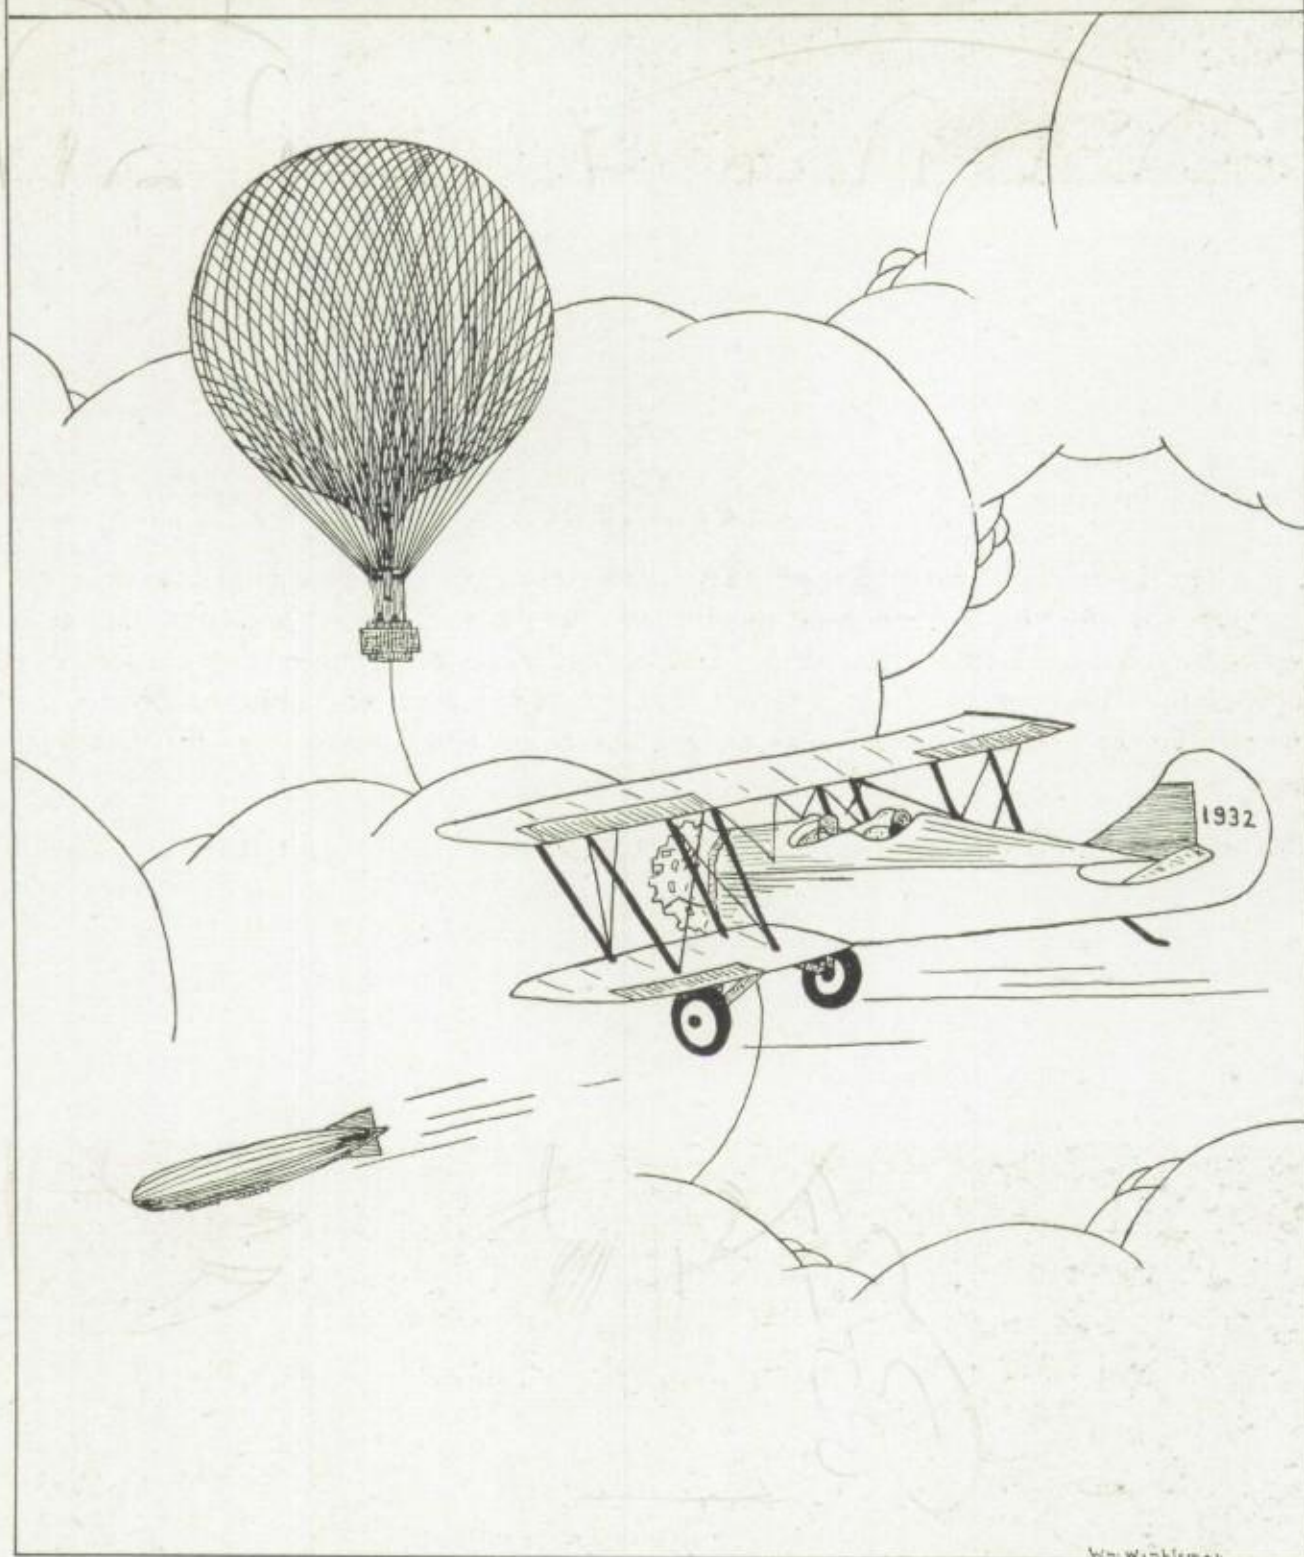

Glee Clubs

The Glee Clubs, this year, although they were two separate organizations, existed for the same purpose—to develop a good tone quality, to study various types of songs, and to make good music a part of the life of O. H. S. Due to the increased number of those interested in this subject, the clubs met in four different sections. In chapel, at public gatherings and at the Commencement exercises, their songs were a source of much pleasure to their appreciative audiences.

The membership of the boys' group was thirty; that of the girls', fifty-five.

OUR PATRONS

1932

Education in George Washington's boyhood days was much desired—but very expensive, and few young men and women were able to pay for the then advanced stage of schooling which compares to the present day high school course.

Yet, during Washington's administration, the foundation for the educational facilities such as are enjoyed by the students of today, was firmly laid under his wise guidance.

To miss a kiss
Is more amiss
Than it would be
To kiss a miss;
Provided that
The kiss you miss
The miss herself
Would never miss.
But if you try
To kiss a miss
With whom a kiss
Would be amiss
You'd better always
Miss the kiss.

We Believe in the Future of Oakmont

An Irishman was gazing into the window of a book store when the following sign caught his eye:

Dickens Works

All this week for only \$4.00

"The divvle he does!" exclaimed Pat in disgust, "the dirty scab!"

Mother: Now, Johnnie, I know thousands of little boys and girls who would be glad to eat that spinach.

Johnnie: Name three of them!

Mother: "Is my boy really trying?"
Teacher: "Very."
